

Pull Up Roller Banner Trim and Bleed Guidelines

850mm x 2000mm

TRIM

----- This is the actual cut of the final design.

DO NOT place important text or images beyond this cut line to prevent trimming

———— Place important text and images inside the solid blue line otherwise it may be trimmed.

----- This is the safe zone for any images or text that are to be placed at the bottom of the banner. Anything lower risks being hidden.

BLEED ZONE 5mm from left, right, top and bottom

———— Make sure to extend any background images or colours all the way to the edge of the pink outline

Final Size: 850mm x 2000mm (W x H)

Size with Bleed: 860mm x 2010mm (W x H)

Please save your artwork without our guidelines

Remember to use high resolution images for best results. We recommend at least 300dpi.
